If the order happens to be a G.O, a larger number, viz. that supplied in ordinary cases, will have to be sent. In submitting herewith a copy of letter No. Mis.C. 3569 of 18-19, dated 7/9-4-1919, received from the Deputy Commissioner, Bangalore District, requesting that copies of all Government Orders may be supplied independently to the District Excise Office for reference, I have the honour to request you to kindly order the supply of copies of Government Orders to all the District Excise Officers as it is felt inconvenient to get such Government Orders for reference since the supply of the Monthly Proceedings books has been also stopped to them.

Copy of letter No.Mis.C.3569 of 18-19, dated 7/9th April 1919, from the Deputy Commissioner, Bangalore District, to the Excise Commissioner in Mysore, Bangalore.

.....

I have the honour to state that the District Excise Officer, Bangalore District, requests that he may be supplied with a copy of all Government Orders on the ground that the supply of the Monthly Proceedings book is stopped. The above Officer had, when his office was located in the District Office buildings; access to all Government orders, supplied to this office; but since the said office has been removed and located in a rented building elsewhere outside the premises of the District Office building, the inconvenience of securing such Government Orders for reference is being felt by that Officer. I request that you will kindly move Government in the matter of supplying copies of all Government Orders independently to that Officer also, as the spare copies of the Government Orders now supplied to the Deputy Commissioner are just sufficient for distribution to the Sub Division Officers and Amildars of the District.

Sir,

I have the honour to state that sufficient number of the standing orders of the Government ~~Proceedings~~ are not being sent to this office for distribution among the several Revenue Officers including Amildars, Deputy Amildars and the District Treasury Officer. Sometimes only 10 copies are received while at other times a few more copies are sent, there being no uniform procedure. These standing orders have to be given to the respective case-workers and to heads of branches and one or two copies of them have to be filed in the standing orders file. Thus there will be required at least 6 copies for the use of the Deputy Commissioner's Office. The Clerk who will be dealing with the subject must have a copy with him for reference to be filed in his standing order file as per Rule 16 of Rules of Office Procedure. Under these circumstances it is requested that 20 spare copies of the Standing ~~Government~~ of Government Orders may kindly be caused to be supplied to this Office in future to meet the full requirements.
